June minutes approved.

**Back Office:** Regulatory notices discussed. Business licence and fees. Online forms. David will follow up.

**Treasurer's Report:** \$46,182.79 checking. \$500 check from the Laurie England Foundation.

**WF Fundraiser:** Whole Foods funds not received. Meg continues to investigate.

**Landscaping:** Milton reported that Nancy Sainberg suggested moving as many flowers and plants as possible to where the abelia bushes on Calvert are; remove bushes and replace with plants until the playground renovation is complete. Problem in the SE corner of the fragrance garden concerning drainage. Milton will call Alberto to get a quote to put in drain, if feasible. Russian poets: good news = get rid of tombstones and replace with just one plaque. Soil investigation for trees in the Russian Poets Alley needed to determine why trees on the west side of the walk are dying.

**President's Report:** Email from Brent: Playground delayed ~ Aug 14th. Water table too high to do splash park. Two trees need to be removed -- FOGM would like to see tree report.

**Glover Park Day:** Went well considering table location. Karate was a big hit.

No meeting in August.
