**Fitness Equipment:** Roz met with Isaac and amended the square footage lower by 1/3rd, but price stayed in the ballpark of 90K-100K. Roz will reach out to another vendor from England.

**Playground:** Malia brought attention to the sand issue and other smaller projects on the playground. The board conducted an impromptu walk through to look at alternative places for the fitness equipment project and a possible spot for a gate to section off Wisc. Ave. While observing the area, 10 rats entertained the group, frolicking in the woods — a request will be sent to Brent and DPR to treat the area for rats.

**Halloween:** Discussed a Halloween celebration or costume party for the neighborhood dogs/owners.

**Cleanup Day:** Discussed a clean up day to be held over the long weekend or next week.

**Piano:** The piano installed at Guy Mason looks and sounds great.

**Benches:** Milton received a new quote to repair the benches in the open area by Calvert (approx. 5K lower than first estimate). **MOTION:** \$3,000 for bench repair. **APPROVED.**
