Dog Park Report - Jeanne

As of now, there has been no resolution to the French drain back up problems in the dog park. There have been 2 site visits by DGS and communication between Jeanne, David and DGS representatives, but DGS has not provided a solution. We will create a flyer that is waterproofed/laminated with the following message:

Friends of Guy Mason Recreation has been actively pursuing the repair of the French drain in this Dog Park. If you are unhappy with the condition of this space, please contact the following city officials:

- DGS Rep
- Council Member Mary Cheh
- Mayor Muriel Bowser

In addition, the gate is broken. Jerome Beamer will submit a work order request to have the gate fixed.
